

Get ready to tap into some sweet success!

SPONSOR MAPLE FEST!

The Poultney MapleFest Working Group of the Poultney Downtown Revitalization Committee is thrilled to announce the return of this beloved community event on **Saturday, March 21rd**. This year, we're brewing up a day filled with festivities that celebrate the rich heritage and delicious tradition of maple sugaring in Poultney and beyond.

Our aim is simple: to showcase the unique charm of Poultney while highlighting the vital role our local maple industry plays in the region's identity and economy. We envision a day bustling with activities for all ages, including:

- **Delicious maple-themed treats and meals:** From a pancakes breakfast, cotton candy, homemade baked goods, and ending with a community ham dinner.
- **Kid-Zone:** Bouncy House, Arts & crafts, face painting, family activities & games
- **Horse & Wagon Rides** and Poultney historical tours
- **Ads and Marketing Support:** Promote visits to more than a dozen regional sugar houses
- **And New Surprises & Partners in the works!**
